### Blood Ties

The Queen of Glasgow, Toni McVay, is no ordinary crime boss. For one thing, she likes to discipline disappointing employees by scooping out their eyeballs and keeping them as souvenirs. Jamie Gray and his gang the Blood Brothers are happy to do her dirty work in return for lessons in the ways of the local underworld, but are in no doubt that they need to keep Toni sweet to keep themselves safe.

Rival families The Gordons and The Thompsons are ready for a turf war, keen to take over the lucrative Gallowburn estate, and weaken Toni's grip on the city. But can the old enemies really trust each other enough to join forces? And will their assumption that the Blood Brothers are the weak link in the McVay empire, prove to be their greatest mistake?

Meanwhile Jamie's past refuses to stay hidden, and as his biggest secret looks set to be revealed with explosive consequences, Jamie faces the battle of his life. To keep his family safe, to keep his friends safe, to keep himself safe, and to keep the woman he loves alive.

### Winging It

When her husband David announces he's been offered a job in New York, Saoirse is thrilled. The glamour of the big city, the shopping, the culture, not to mention the free Manhattan apartment and business class air fare – what's not to like? There's just the small matter of making it work for their daughter, five-year-old Anna, who isn't so keen to leave her friends and school behind.

The Big Apple in the middle of summer isn't quite the holiday Saoirse envisaged, and with David away with work, New York apartment sizes on the miniscule side, and the pace of life faster than the sleepy London suburbs, solo ex-pat parenting pushes Saoirse to her limits.

And as the pressure builds and 'faking it till she makes it' isn't cutting it, there's only one thing for it – Saoirse and Anna need a new plan, and 'Winging It' might be their best option...
