

Sally Herbert

The Missing Pieces Of Mum

A daughter's search for her mother's past reveals secrets and lies – changing both their lives forever.

Born out of wedlock in Dublin in 1937, Phyllis grew up in a tough, church-run orphanage. She thought by fulfilling her dream to become a nurse in England, her life might change, but her loveless childhood predisposed a loveless marriage and things began to spiral out of control for her and her daughter, Sally.

Looking for the answers to why both their lives went so spectacularly wrong, led Sally to ask questions about the real identity of her mother: 'Who was she? Why was she abandoned... I needed to find answers before it was too late.'

After a mission lasting nearly a decade, her search uncovered secrets, lies and lost family members. It soon becomes a race against time to tell the mother she loves so dearly the truth about her past, before she loses her forever.

Christian Lamb

Beyond The Sea

A Wren At War

Love, duty and true-life adventure in the shadow of the Second World War.

Christian Lamb is one of the last surviving Wren Officers to have served throughout the Second World War, from Blitz ravaged London, to the important Radar and Operations rooms and undertaking a vital role in D Day.

Escaping both the Spanish Flu pandemic when she was born and the pandemic we are emerging from today, she has reached the impressive age of 101.

Now she leads us through the story of her extraordinary life and the wartime experiences of her fellow Wrens.
